

5/24/26 RACE RECAP FROM Cherokee Speedway for The Cagle Racing Automotive LLC ,BLUE RIDGE Outlaw Late Models ,powered by Newsome/Raceway Parts Network,Raceway Chevrolet,Chevrolet Performance

Picking up his 2nd BROLM series win of 2026 on a weekend where we paid tribute to honor those who made the sacrifices necessary to provide and maintain our freedom, South Carolina's Anthony Sanders led all 40 circuits in a caution free event Sunday to score the \$3500 payday at Cherokee Speedway.

Race City Performance Qualifying.

Layton Sullivan's lap of 16.254 led the way on Group A Qualifying while Sanders captured overall Fast Time Honors with his lap of 15.908 that surpassed all the competitors in Group B. Sanders would continue the momentum he built in qualifying by edging Sullivan in the ProFabrication, Inc Quick 8 Dash.

Sanders quickly bolted to the lead with the field in tow as the Spartanburg veteran looked to establish a comfortable and commanding lead to set the tone in the opening laps of the feature event. While championship leader Braden Jones and Sullivan settled in behind Sanders, the scramble to secure a Top 5 spot was well underway between Terry Caples Jr, Mark Greene, and Adam Yarbrough. As the laps passed, Yarbrough would move his #57 into the 4th spot as Scott Shirey was clicking off multiple positions in his pursuit of the event's hard charger award. Sanders led flag-to-flag to score the win and was joined on the podium by Jones and Sullivan. Yarbrough and Mark Greene completed the Top 5.

It will be a quick turnaround for the BROLM teams after the Memorial Day holiday as the next stop on the 2026 Tour For A Cure takes us to southwestern Virginia where \$5000 will be up for grabs this Saturday at Wythe Raceway(Also this race will count as (2) races towards the \$12k to win Championship.

Jones will carry a 43-point lead into Wythe over Dalton Hodge and a 50-point lead over Travis Steele. Terry Caples Jr and Bryan Mullis are tied for 4th, 51 points behind Jones.
